| 5   | Moroge Mohamed Mahmoud        | TEAM MEMBER | morouj-mohamed  |
| 6   | Maryam Ahmed Hassan           | TEAM MEMBER | Maryram928      |
| 7   | Maryam Ramadan Hassan         | TEAM MEMBER | mariamramadan8  |
| 8   | Mennat Allah Mohamed Attallah | TEAM MEMBER | menna-attallah  |
| 9   | Mona Mahmoud Hashem           | TEAM MEMBER | mm4529251-a11y  |
| 10  | Yara Nehad Abu El Hassan      | TEAM MEMBER | yara-nehad      |

## 3. TEAM AGREEMENT

OPERATIONAL PROTOCOLS

### 3.1 Methods of Communication

| Communication Method  | Purpose & Usage Guidelines                             |
|-----------------------|--------------------------------------------------------|
| WhatsApp              | Daily updates, urgent matters, and team coordination.  |
| GitHub                | Code collaboration, project tasks, and issue tracking. |
| Zoom Meetings         | Online team meetings and virtual sync-ups.             |
| Face-to-Face Meetings | In-person discussions and key project decisions.       |

### 3.2 Communication Response Times

| Communication Method  | Expected Response / Attendance Rule          |
|-----------------------|----------------------------------------------|
| WhatsApp              | Respond within <b>3 hours</b> .              |
| GitHub                | Follow up within <b>24 hours</b> .           |
| Zoom Meetings         | Attend on time; notify in advance if absent. |
| Face-to-Face Meetings | Attend on time; notify in advance if absent. |

### 3.3 Division of Work

The project responsibilities are divided among the 10 team members as follows:

| Functional Domain  | Allocation | Scope                                                |
|--------------------|------------|------------------------------------------------------|
| Backend & Database | 5 MEMBERS  | Server logic, database design, and REST APIs.        |
| Frontend & UI/UX   | 5 MEMBERS  | User interface, client logic, and responsive design. |

### 3.4 Submitting Assignments

To preserve deliverable quality and ensure timely submission, the team enforces the following protocol:

| Submission Rule   | Team Decision                                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Internal Deadline | The team will aim to complete and review each assignment at least <b>ONE DAY BEFORE</b> the official deadline.                             |
| Final Submitter   | Yara Yasser Mostafa – Team Leader                                                                                                          |
| Final Reviewers   | <ul style="list-style-type: none"><li>• Yara Yasser Mostafa</li><li>• Arwa Ayman Mohamed</li><li>• Mennat Allah Mohamed Attallah</li></ul> |

## 4. GITHUB ACCOUNTS & TEAM CONTACT

### 4.1 GitHub Directory

Every team member maintains an active GitHub account for repository collaboration and task tracking:

| Team Member            | GitHub Handle  | Team Member                   | GitHub Handle  |
|------------------------|----------------|-------------------------------|----------------|
| Yara Yasser Mostafa    | Yara-Yasser00  | Maryam Ahmed Hassan           | Maryram928     |
| Arwa Ayman Mohamed     | ArwaAyman36    | Maryam Ramadan Hassan         | mariamramadan8 |
| Esraa Saad Hamed       | Esraaaa25      | Mennat Allah Mohamed Attallah | menna-attallah |
| Soha Abdelrady Adawy   | Soha886        | Mona Mahmoud Hashem           | mm4529251-a11y |
| Moroge Mohamed Mahmoud | morouj-mohamed | Yara Nehad Abu El Hassan      | yara-nehad     |

### 4.2 Team Leader Contact Information

**Team Leader:** Yara Yasser Mostafa  
**Email Address:** [yara99155@gmail.com](mailto:yara99155@gmail.com)
